I am employed by Lady Anne HERRIES as a Stablelad and walk from her stables, Angmering Park Stables, Angmering.

I have known John Middleton Bartlett since January 1991 and met him through an advertisement which had been placed in the West Sussex Gazette. The advertisement was offering a stable block and grazing for rent and as a result of this I met John and rented the property from him.

From documents that I have in my possession I can say that as from the 11th February 1991 until March 5th, 1993 I rented the stable block and grazing land from him at ~~Eb~~. The blocks consisted of three boxes plus a tack room with three quarters of an acre of grazing land and originally the rent was £6.25 per week per box. RGB

At one time we had three horses which we kept there. RGB

The stable block was situated at ~~Tottington Dr~~, Priory Manor, Tottington near Arundel, West Sussex.

My wife, Angela & I would visit these Stables

RGB

on a daily basis, spending a great deal of time there, and would visit at least three times a day to tend to the horses needs.

The stables were situated in Mr Middleton's garden. and if he were absent we would pass the time of day with him.

My wife and I were the only ones to muck out the stables although on occasions friends of ours else helped us, Mr Middleton never took any part in mucking out for me.

I would describe myself as a White Male, 31 years old, 5'10" tall, dark brown hair, clean shaven, medium build.

My wife is 32 years, 5'1½" tall, long light brown hair and sometimes this is held up of sometimes let down long, but back then it was shorter than it is now.

I am in possession of the original contract and have loaned this to Mr Boniface on the understanding that it will be returned to me later to day

Statement taken and signatures witnessed by me.
